## Deluxe Electronic Measuring Sets

Fowler's Deluxe Electronic Measuring Sets offer high quality tools for an economical price. Sets include an electronic caliper, electronic micrometer, 6" rule and wood case.

#54-100-333 Ultra-Cal III Electronic Caliper 0-6" (0-150mm).

High accuracy capacitive sensor with direct RS232C output allows connection of tool to any computer or printer without interface. Resolution to .0005" (.01mm). Four-way measurement, incremental floating zero and increased measuring, tracking speed of 2 meters/second. Accuracy .001" (.03mm).

#54-200-121 Ultra-Gold Electronic Caliper 0-6" (0-150mm).

Titanium coated over hardened and ground stainless steel, it offers high accuracy capacitive sensor with direct RS232C output which allows connection of tool to any computer or printer without an interface. Resolution to .0005"/.01mm. Features similar to Ultra-Cal III.

#54-200-777 ProMax-Cal Electronic Caliper 0-6" (0-150mm).

Electronic caliper with readout. True inch/metric conversion. Reads to .0005" in inch mode and .01mm in metric mode. Large, easy to read LCD display. Direct RS232C output allows connection to any computer or printer with no interface necessary. Inside, outside, depth and step measurements. Body is hardened stainless steel.

#54-905-251 Digitrix II Electronic Micrometer 0-1" (0-25mm).

Absolute and relative datums and tolerance limit mode for using the micrometer as a "go/no go" gage. True inch/metric conversion. Output allows connection to QC printer/calculator, data-loggers and interfaces. 2 batteries

(3000—5000 hrs. of life). Auto-off after 5 minutes of non-use. Carbide tip anvils, satin chrome finish, ratchet thimble & locking knob.

#52-295-006 Flexible 6" Steel Rule. Scale fully hardened with satin chrome finish. Graduations 4R (8ths, 16ths, 32nds, and 64ths.) Overall size: 6" x 1/2" x .015".

#52-330-006 Rigid 6" Steel Rule. Scale fully hardened with satin chrome finish. Graduations 4R (8ths, 16ths, 32nds, and 64ths.) Overall size: 6" x 3/4" x .04".

Order No.	Deluxe Electronic Measuring Sets include:
54-004-444	Ultra-Cal III Electronic Caliper #54-100-333, Electronic Micrometer #54-905-251, Rigid Steel Rule #52-330-006 and wood case.
54-004-555	ProMax-Cal Electronic Caliper #54-200-777, Electronic Micrometer #54-905-251, Flexible Steel Rule #52-295-006 and wood case.
54-004-666	Ultra-Gold Digital Caliper #54-200-121, Electronic Micrometer #54-905-251, Flexible Steel Rule #52-295-006 and wood case.
54-100-111	Wooden Case for Measuring Sets.
