

Fowler

Adjustable Snap Gages

*Indicator
shown
not included.*

Fowler introduces our new Snap Gage—similar to a pistol grip, it accepts electronic or analog indicators with a 3/8" stem or 8mm with bushing.

- Design allows hand-held or worktop use.
- Fixed upper contact.
- Mechanics free from wear
- Thermal protection handle
- Press button to release lower jaw

- Constant measuring pressure 20N(200g)
- Ceramic contacts are easily replaced
- Antimagnetic design
- Easily calibrated with gage blocks or setting disks
- Up to .25"(6.35mm) adjustable range per unit
- Contact travel .02"(.5mm)
- Repeatability of mechanical system is .00004"(.001mm)
- Jaw width .5"(12.7mm)
- Weight 13 oz.(360 g)

Order No.	Inch Range	Metric Range
53-668-100	.75—1"	18—25mm
53-668-125	1—1.25"	25—32mm
53-668-150	1.25—1.50"	32—38mm
53-668-175	1.50—1.75"	38—45mm
53-668-200	1.75—2"	45—51mm
53-668-225	2—2.25"	51—57mm
53-668-250	2.25—2.50"	57—64mm
53-668-275	2.50—2.75"	64—70mm
53-668-300	2.75—3"	70—76mm
53-668-325	3—3.25"	76—82mm
54-618-460*	8mm to 3/8" Bushing
