Deep Hole Light & Magnetic Lamp

▲ Deep Hole Light #52-270-000.

▲ Magnetic Lamp #52-585-043.
(Bulb not included.)

Special Features—#52-270-000:

- Deep Hole Light permits viewing in deep holes, around corners, under grooves, etc.
- Includes battery case for 2 penlight batteries and a battery case for one battery for use where space is limited; batteries not included.
- Features a positive switch. Curved and straight light conveying devices place intense illumination at their ends directly on the bottom of the hole being viewed. A small mirror permits viewing in a manner similar to a dentist examining teeth.
- Price includes plastic case.

Special Features—#52-585-043:

- Magnetic Lamp height is 12".
- 85 lb. pull magnet holds lamp firmly in place at all times.
- Flexible arm allows illumination in any direction.
- On/off switch for easy positioning and removal.
- V-way on base affixes firmly to any round surfaces.
- Price includes fitted carton.
