Digimatic Caliper

573-252-10
Outside Point Type
Digimatic Caliper

573-261-10
Tube Thickness Type
Digimatic Caliper

These calipers offer some additional special jaw styles for difficult to reach dimensions. Additionally, these models incorporate Mitutoyo's exclusive Absolute reading scale.

The Absolute scale always knows its true position from the origin point and never needs zero-setting.

Specifications

Digimatic Special Face Calipers with Absolute Encoder

Inch/Metric (with SPC output)

Order No.	Range	LCD Resolution	Accuracy	Remarks
